SUMMARY

Front-End Developer with 3+ years of experience developing responsive and scalable web applications using **React.js and Next.js**. Skilled in converting **Figma designs into pixel-perfect, production ready user interfaces** with a strong focus on **performance, accessibility, and clean code practices**. Experienced in **state management, REST API integration, and modern CSS frameworks**, delivering maintainable and high-quality front-end solutions in collaborative development environments.

SKILLS

- ★ **Languages & Frameworks:** JavaScript (ES6+), TypeScript, React.js, Next.js
- ★ **UI & Styling:** Tailwind CSS, Chakra UI, Material UI, Responsive & Mobile-First Design
- ★ **State Management & Data Handling:** Redux Toolkit, Context API, Jotai, REST API Integration, Axios, Zod
- ★ **Tools & Development Workflow:** Git, GitHub, Docker, Postman, Vercel, Figma to Code
- ★ **Backend & Cloud Services:** Firebase, Appwrite, Express.js, MongoDB

WORK EXPERIENCE

Next.js Developer — StepSharp Digital Pty Ltd, South Australia

Nov 2025 – Present

- Developed scalable **admin dashboards and management systems** using Next.js, focusing on structured architecture and maintainable code.
- Implemented **form validation and data schemas using Zod**, ensuring reliable and type-safe data handling across applications.
- Optimized **application performance and reliability** through component optimization, unit testing, and efficient state/data management.

Freelance Web Designer — Local Clients

Dec 2024 – Aug 2025

- Designed and developed **custom websites for local clients**, delivering complete front-end solutions from concept to deployment.
- Collaborated directly with clients to **refine design requirements and improve user experience across devices**.

Junior React Developer — Kodestudio Software, Sheikhpura

Aug 2023 – Nov 2024

- Built **responsive and modern websites** using React.js and multiple CSS frameworks while following mobile-first design principles.
- Converted **Figma and design references into pixel-accurate interfaces**, ensuring cross-browser compatibility and consistent UI behavior.
- Strengthened **core React.js fundamentals**, including component architecture, props/state management, and reusable UI patterns.

PROJECTS

Portfolio Website | Next.js, Tailwind CSS, Framer Motion

Developed a responsive personal portfolio website to showcase projects, skills, and experience, featuring a clean user interface, smooth navigation, modern animations, and integrated CV download and contact functionality for improved recruiter access.

Live Demo: zainqalandar.online

Audio Quran Web Application | Next.js, Tailwind CSS

Developed an Islamic Quran web application focused on a smooth reading and listening experience, with features such as Surah navigation, sidebar browsing, and a custom audio player, fully optimized for a fully responsive across devices

Live Demo: readalquran.online

Confidential Project | Next.js, TypeScript, Tailwind CSS, Turborepo

Developed a scalable restaurant management platform with Admin Dashboard, Booking, and POS modules, featuring reservation workflows, order and sales handling, analytics/reporting, reusable shared packages, and fully responsive cross-device performance.

Contributed to 50+ web development projects across dashboards, business websites, and management systems

EDUCATION

BS Information Technology

Government Graduate College, Civil Lines, Sheikhpura

August 2021 – Present
